**Question #1:**  
*What does our Government Relations Program do?*

**Answers:**

1. It saves the finishing industry millions of dollars a year.
2. It offers a technical resource to government agencies.
3. It gives the finishing industry a visibility that is necessary in today's times.
4. It's a multifaceted program, covering:
  - Water quality issues
  - Air quality issues
  - Hazardous waste & Superfund issues
  - Environmental & pollution prevention technologies
  - TRI reporting
  - International activities

**Question #2:**  
*How is the Government Relations Program funded?*

**Answer:**

By contributions from companies, groups & individuals. Help secure the industry's future.

*Contributions/pledges are encouraged. Please complete the form below and send it, with your pledge or contribution, to: **Government Relations Program, c/o AESF Headquarters, 12644 Research Pkwy., Orlando, FL 32826-3298.***
