

18th AESF/EPA Conference On Pollution Prevention & Control For the Surface Finishing Industry

(February 1997*)

You are invited . . .

to submit an abstract of original and unpublished work to be considered by the organizers for presentation at the 18th AESF/EPA Conference. Abstracts of 75 to 100 words must be submitted by July 15, 1996. All abstracts must be accompanied by a statement that the paper has not been published previously and is not pending publication elsewhere.

What Types of Papers are Considered?

Original, unpublished works that are case histories, or papers on research or technical developments as related to all aspects of environmental control for the surface finishing industry. This includes papers related to legislative, regulatory, legal and other aspects.

Suggested Topics

Health & Safety
Pollution Prevention & Control
Case Studies
Emerging Technologies for Pollution Prevention & Control
Good Operating Practices
Pollution Prevention By Design—Renovation & Construction of Surface Finishing Facilities
Alternative Process Developments
Environmental Management Systems
Managing Solvents & Aqueous Cleaners
Zero Discharge
Regulatory Analysis
Process & Facility Modeling
Remediation of Surface Finishing Facilities
Air Quality Management

- **Deadline for Abstracts:**
July 15, 1996

- **Notification of Acceptance:** Sept. 15, 1996
Accepted authors will be contacted by their session chairmen by September 15.

- **Deadline for Draft Paper:**
November 1, 1996
Please send to AESF Headquarters.

- **Deadline for Final Paper:**
December 1, 1996
Each accepted author must submit a camera-ready (ready for printing) original of his/her paper to the AESF Educational Services Department. A photocopy should also be sent to the conference chairman.

An official proceedings will be published for the conference, including the full text and illustrations of each accepted paper. Copies of the proceedings will be distributed to all paid conference attendees. Conference speakers who submit their papers on time will receive a free registration to the technical program in which they are participating, and will be able to obtain a copy of that program's proceedings at a special, reduced rate.

- **Proceedings Papers are Eligible for Awards**

Papers published in the proceedings will be eligible for the "best paper" award. The best paper and best presentation winners will receive complimentary registration to the conference held the following year.

- **What to Include with Your Abstract**

Please send a brief biography with your abstract. Be sure to include your name, title, company and company address, phone and FAX numbers, and your statement that the paper has not been published previously and is not pending publication elsewhere.

- **Please, No Trade Names**

AESF has a long-standing policy that proprietary or trade names should be omitted in papers, talks and audiovisual materials presented at Society meetings or published in Society publications. On those rare occasions when it is absolutely necessary to use either proprietary or trade names, these must be identified generically in the body of the paper and referenced by a single footnote. The footnote should provide the proprietary or trade name, the company to which it belongs, and the city/state location of the company. This policy also applies to any slides used in conjunction with the paper.

- **Where to Send Your Abstract**

Mr. Peter Gallerani, CEF
c/o American Electroplaters and Surface Finishers Society
12644 Research Parkway
Orlando, FL 32826-3298
Phone: 407/281-6441
FAX: 407/281-6446
e-mail: 72420.2001@compuserve.com

- **How to Reach Mr. Gallerani Directly**

Phone: 802/684-1016
FAX: 802/684-9665
e-mail: INTEGRTD@IX.NETCOM.com

*The 18th AESF/EPA Conference will be held during AESF Week 1997, the annual winter meeting of the American Electroplaters and Surface Finishers Society, February 3-7, Disney's Contemporary Resort, Lake Buena Vista, FL.
